July 2011. InsuleurVoice n° 10

## **The InnoNauTICs project partners launch Nauticaleurope.com to bring together the offer of the Euro-Mediterranean nautical sector**

The InnoNauTICs has achieved one of its milestones. INSULEUR partners involved in this project officially launched in early July at its meeting in Heraklion (Greece) Nauticaleurope.com platform, which brings together nautical sector offer from the four countries that are developing this project so far: Spain, France, Italy and Greece, and intends to include 850 companies.

## **INSULEUR participated in the European debate on cohesion policy**

INSULEUR, the Network of Insular Chambers of the European Union, which represents more than 40 Chambers from seven EU countries, is satisfied by the intention showed by the European Commission in his 5th Cohesion Report to introduce the territorial dimension of cohesion policy in its new programs, but regrets that the document doesn't go deeper on islands problems.
